

## INTISARI

Pondok pesantren adalah cikal bakal institusi pendidikan Islam yang berada di Indonesia. Pondok pesantren sangat peduli pada bidang agama (tafaqquh fi al-din) dan pembentukan karakter bangsa yang bercirikan akhlakul karimah. Pondok pesantren Manba'ul 'Ulum terletak di Jalan KKN UNSOED nomer 81 Desa Kedungmalang, RT 03/RW 03 Kec. Sumbang Kab. Banyumas. Lokasi pesantren sangat menguntungkan karena berada di pinggiran wilayah Purwokerto, yang mana hal tersebut memudahkan komunikasi, baik dengan instansi pemerintah maupun dengan masyarakat luas. Pendaftaran yang terdapat di pondok pesantren manbaul Ulum Kedungmalang masih manual. Untuk menyelesaikan masalah tersebut, dilakukan penelitian yang bertujuan untuk mengimplementasikan website pendaftaran dan pembayaran secara online. Penelitian ini telah melaksanakan pengujian secara kuisioner dengan skala Linkert mencapai persentase kelayakan 60.01 %.

## **ABSTRACT**

*Islamic boarding schools are the forerunners of Islamic educational institutions in Indonesia. Islamic boarding schools are very concerned with the field of religion (tafaqquh fi al-din) and the formation of national character characterized by morality. The Manba'ul 'Ulum Islamic boarding school is located at Jalan KKN UNSOED number 81 Kedungmalang Village, RT 03/RW 03 Kec. Donate Kab. Banyumas. The location of the pesantren is very advantageous because it is on the outskirts of the Purwokerto area, which makes it easier for communication, both with government agencies and with the wider community. Registration at the Manbaul Ulum Islamic Boarding School in Kedungmalang is still manual. To solve this problem, a research was conducted which aims to implement an online registration and payment website. This research has been tested by questionnaire with the Linkert scale reaching the exact percentage of 61.01%.*
